Dear colleague,

### **Vacancy at Garratt Park School**

Many thanks for your interest in the vacant post at Garratt Park School. You will find further information about the school and the role attached, and I do hope that you will consider making an application.

We are a school of considerable strengths. In particular, we have:

- a friendly and supportive multi-disciplinary staff
- an emphasis on creativity
- high quality professional development
- an excellent leadership team
- our own systems for assessment, which work well and are easy to use
- outstanding safeguarding and pastoral care
- high standards of behaviour
- wonderful students!

I am proud of the school's performance during the pandemic. We have been open every day except for a few days at the beginning. We have maintained excellent on-line learning. Staff attendance has been high. Around 95% of students returned to us on September 3rd, and 93% have been with us this week.

If you would like to visit the school, I will be happy to show you around and answer any questions you may have.

My team and I love working at Garratt Park School, and I'm sure you will see why!

Yours sincerely,

**Michael Reeves**  
**Headteacher**
