WELCOME

FROM THE CHAIR OF THE BOARD OF TRUSTEES

Dear Applicant,

I am delighted that you have expressed an interest in the combined roles of Headteacher of Featherstone High School (FHS) and Executive Headteacher of the Grand Union Multi Academy Trust. This vacancy has arisen following the retirement of our current Executive Headteacher after many years of distinguished service in the post.

Central to every aspect of our work is our motto 'Together we Achieve' built on our belief that effective partnerships can deliver improved outcomes beyond those we could achieve on our own. We are proud to have sustained very high levels of performance.

As Chair of the Board of Trustees, I can tell you that we are very proud of our schools and of the service we provide to our students, children, and the wider community. We currently have two schools in our Trust and as well as ensuring the highest standards in each of them, we aspire to grow our MAT.

Our well-established oversubscribed secondary school FHS provides outstanding educational opportunities for our students, achieving Ofsted outstanding in 2007 and again in 2015, with a reputation built on achieving together through a partnership between high levels of achievement and a strong emphasis on shared values and virtues. FHS has 1,772 students, is excellent, and remains on a journey to sustain its outstanding status in its next inspection. It is also a Sponsoring Academy. Our small primary school Woodlands Academy has 205 children on roll and has capacity for growth. It achieved a good judgement in its most recent Ofsted Inspection in 2019.

Our staff in both schools are highly committed and work to deliver a first-class educational experience for all the young people in our care. All our students are known and valued for their unique contribution. Their successes are recognised and celebrated at every opportunity. Our students leave us as confident, resilient and resourceful individuals equipped with the skills and qualities needed for future success.

The Grand Union Multi Academy Trust was set up in September 2016 as the first school-led MAT to open in Ealing. As part of our commitment to excellence, we offer specialist support to our partner schools working in collaboration and sharing expertise with schools beyond the Trust. Our community partnerships and networking are also very strong with well-established links, for example the community Sports Centre is a shared resource. We have excellent facilities to support teaching and learning and wider educational experiences for all our young people.

WELCOME

We invest heavily in our staff and want to grow them, and our young people to achieve the best for each of them and that extends to the investment in our new Executive Headteacher. We want to see even greater collaborative partnerships between our schools and any new ones that join the Trust in the future. Doing the very best for young people underpins everything we do. We want to continue transforming the lives of our students and children.

I hope that after reading this pack, you will feel inspired to apply for this fantastic opportunity. We warmly welcome prospective applicants to visit the school. Please contact Harj Johal, Head of HR on 020 8571 8787 or email HJohal@featherstonehigh.ealing.sch.uk to arrange.

TRUST VISION, VALUES, ETHOS AND AIMS

Our Vision

The Grand Union Multi Academy Trust (GUMAT) is currently a small cross-phase family of schools committed to the common aim of continuous school improvement through collaboration, support and challenge. We seek to be a network of 3-5 schools where every child/young person receives the best possible education through the sharing of best practice and world class professional development opportunities for staff.

Our Values and Ethos

GUMAT believes that all schools are more effective when they work in partnership than when they stand alone. We value and embrace each school's uniqueness and the community it serves, whilst seeking to learn from and share with each other so that we spread excellence effectively. We believe in a blended system of collaborative autonomy within which our schools will follow some central core GUMAT Policies. However, each individual school with a Good or Outstanding Ofsted grading is able to continue to develop its systems and non-core policies in its own unique way and is expected to share what is best across the Trust. Reduced autonomy will operate (in line with our Scheme of Delegation) where a school falls into an Ofsted category and the family of schools will come together to support such schools.

We believe that there is a moral imperative to spread best practice beyond the confines of one school. We aim to promote a culture of our schools and students across the Trust.

All schools will support our four strategic cornerstones within an ethos which values equality, diversity and inclusion.

Our Strategic Cornerstones

These are key to our ongoing success. We focus on these each year in our schools' planning to ensure we continue to work towards our mission statement. All 4 areas are underpinned by our advanced and innovative use of New Technology.

- A determined focus on Teaching and Learning which stems from evidence informed best practice
- Rigorous data tracking and intervention
- A rich, varied and well-sequenced curriculum
- A strong code of behaviour

TRUST AIMS

Our overriding aim is to develop a co-operative and collaborative ethos across all our schools which places children at the centre of everything we do and ensures they receive the best possible education. We want to be at the heart of a self-improving system led by school leaders in partnership and collaboration.

- We aim to offer an outstanding education to all the pupils in all our schools to ensure we realise the potential of every pupil in every school and to prepare them for a successful future in the 21st Century.
- We promote excellence, personal achievement and the realisation of each and every child's/pupil's potential, irrespective of their gender, race, ability or background
- We aim to provide strong, ambitious and inspirational leadership in every school so that every pupil and every member of staff is encouraged to achieve more than they thought was possible.
- We aim to set challenging targets for all our schools and to use key data sets to drive progress.
- We aim to use the most effective new technologies to drive attainment and progress.
- We aim to offer the very best CPD in Teaching & Learning and in Leadership and Management to all our staff and to provide wider opportunities for staff development across schools and phases
- We aim to ensure all schools in the partnership will be working towards or maintaining outstanding status
- We aim to deliver economies of scale and ensure all of the above are delivered within a predetermined budget, which is audited and gives best value for money.
- We aim to attract the highest calibre of staff that share our vision and values and ensure we fulfil our obligations as an equal opportunities employer in so doing.

FEATHERSTONE HIGH SCHOOL

Our school motto underpins our ethos of partnership in the pursuit of high achievement:

“Together We Achieve”

Our mission statement encapsulates our broad educational aims:

“At FHS each individual will realise and achieve their full potential academically, personally and socially through a rich and varied curriculum, state of the art technology and outstanding teaching and learning. We will inspire all members of our community to become global ambassadors in our increasingly interconnected world.”

www.featherstonehigh.ealing.sch.uk

“I love working with our ambitious students who are so keen to push themselves and achieve. It’s a real privilege to support our FHS Scholars and to prepare them for successful applications to top universities throughout the UK and the USA, including Oxford and Cambridge. The fact that many of these students come from families who have not gone to university makes it even more special and important. My aim as the Lead of the FHS Scholars Programme has been firstly to inspire them to aim high but secondly to equip them with the knowledge and skills that will enable them to achieve those goals. Featherstone students are ambitious and determined and working with them is the highlight of my job”. - Staff

FEATHERSTONE HIGH SCHOOL

We are a caring community and foster the highest levels of empathy and respect for all members of our community.

We require high standards of behaviour at all times as we know good behaviour is essential for effective learning to take place. We don't accept any form of bullying, disruption to lessons or rudeness to other members of our community.

As part of our caring attitude, we strive for excellence in all areas and will challenge students appropriately if they don't meet our high expectations. We are committed to the belief that parents are crucial partners.

Traditional values of working hard, taking pride in one's appearance and demonstrating good manners are, we believe, essential ingredients for success at Featherstone. We know that if we work together there is no limit to what our young people can achieve.

LETTER FROM FEATHERSTONE HIGH SCHOOL ALUMNI

This letter is to all the staff of Featherstone High School for the extremely supportive 7 years I have had here.

Thank you for those 7 years, as in my time at FHS I have come to know a great variety of excellent staff members who encouraged me to excel, challenged me to achieve greater heights but also supported me during the lows of my academic years. I found the environment I was provided with to have been the best I could have asked for so I wish that you all can continue to make FHS as special for the next generation of curious learners and innovators as it was for me.

Thank you all for supporting us students during these difficult times, making time for us and holding lessons from home during each lockdown. I and many others appreciate the amount of work that was put in to ensure our education was not affected by the current circumstances, along with the diligence of teachers who chased up work and supported any students finding it hard to cope through the effects of covid. I would also like to thank you all for keeping us informed during those times and engaging with us everyday like you would on any ordinary school day, communicating with the students on our views of the systems that would have been put in place and considering our opinions during their implementation.

I only have positive thoughts for the future of our school because from my experience with the staff here at FHS, I know that every teacher I have been fortunate enough to meet has placed some of their expertise, personality, optimism and most important of all, advice, in front of me to add to my journey in life. All of which I hope to take onboard and use to meet all of your expectations for my future. But as this is the end of my journey at FHS, I will certainly miss the environment I was taught in, the teachers I was taught by, and all others who provided support along the way. So I want to wish you all the best of luck for the years to come, as I hope you will continue to help more and more students in finding their passions, building their careers, and then in turn they will also come to appreciate your work as I do.

The last message I will leave you all, is despite the struggles of the past few years, despite the days where teaching proves to be difficult, and despite what scenarios you may face in the future; I wish you all the best in persevering, teaching and imparting parts of yourselves onto the future students of FHS because you shape our futures and your influence has no end.

Thank you again for everything! I hope you all stay safe, take care and continue to be great teachers!

Yours gratefully,

Former Head Boy
