Working for the Richmond & Wandsworth Better Service Partnership

We're Richmond & Wandsworth Better Service Partnership, the shared public service team for Richmond and Wandsworth Councils. Like any local authority, our role is to deliver the agenda of our elected members on behalf of the people who live and work in our part of the world. We deliver key services to our communities including social care, public health, children's services, housing and regeneration and environmental and community services.

Our joint workforce creates efficiency and resilience by bringing more creativity to the way we work, more objectivity and adaptability too, helping us deliver better services for all our residents.

We're here to help our communities thrive in a changing world, and to be there for the people who need us most we believe we need to keep adapting. That's why, at Richmond & Wandsworth Better Service Partnership, you'll be at the forefront of innovation in local government, and we'll invest in you and offer you opportunities to grow in a way only our unique organisation can.

Job Purpose

Responsible for the fabrication and installation of the borough's signs and other related traffic activities, ensuring all signs are made to specification and to customer satisfaction.

Specific Duties and Responsibilities

1. The delivery of Sign Shop fabrication and installation. The position also forms an integral part of Highways in the overall emergency out of hours service when required and the highway response to winter service needs.
2. Learn to produce and fabricate signs and other traffic related products using correct materials and in line with the Traffic Signs Regulations and General Directions 2002.
3. There are additional requirements in some waste management and to make a positive contribution to developing the sections approach to mobile working, receiving works ordering and agreeing joint priorities in the methods and timings of repairs, use electric bike to install posters on a monthly basis.
4. The fabrication of signs and installation in accordance with ISO 9001 & CE Marking and contributing towards a strong and highly valued Sign Shop Service.
5. Plan their works in a suitable manner to maximise their productivity and performance. They should also have the ability to maintain records of completed works and accurately record any amendments.
6. To use electrical and mechanical tools and plant to cut, shape and assemble signs.
7. Work closely with the Street Environment (Inspection and Enforcement Team and Network Teams), Traffic & Engineering, Planning and Transport, Housing, Parking and any other sections to help identify and solve particular street environment issues.

Generic Duties and Responsibilities

- To contribute to the continuous improvement of the services of the Boroughs of Wandsworth and Richmond.
- To comply with relevant Codes of Practice, including the Code of Conduct and policies concerning data protection and health and safety.
- To adhere to security controls and requirements as mandated by the SSA's policies, procedures and local risk assessments to maintain confidentiality, integrity, availability and legal compliance of information and systems.
- To promote equality, diversity, and inclusion, maintaining an awareness of the equality and diversity protocol/policy and working to create and maintain a safe, supportive and welcoming environment where all people are treated with dignity and their identity and culture are valued and respected.
- To understand both Councils' duties and responsibilities for safeguarding children, young people and adults as they apply to the role within the council.
- The Shared Staffing Arrangement will keep its structures under continual review and as a result the post holder should expect to carry out any other reasonable duties within the overall function, commensurate with the level of the post.

Additional Information

Undertaking the standby scheme for the winter service on a rota basis and some staff will be required to participate in the Emergency Out of Hours Standby Service (including depot emergency cover and any additional out of hours service that is required). Should be prepared to respond to the Councils major Emergency Plan when required. E.g. sand bagging, storm damage etc.
