- To undertake clinical duties with caseload of students under the supervision of a qualified therapist.
- To be responsible for implementing programmes, assessing progress and using initiative to suggest changes to treatment plan within agreed competencies.
- To assist the therapist undertake the assessment and progression of treatment for students identified within a delegated caseload
- To use recognised outcome measures to evaluate the effect of Therapy interventions and ensure that treatment programmes are progressing appropriately.
- To promote understanding of the aims of Therapy and to ensure continuation of the treatment programme.
- To participate in multidisciplinary/multi-agency team meetings and case conferences to ensure the co-ordination of student care.
- To ensure accurate, comprehensive and up to date clinical records are maintained in accordance with Trust guidance and agreed criteria
- To communicate and advise regarding student related information effectively to ensure collaborative working within the Therapy service and with other professionals across health and other agencies to ensure the delivery of a co-ordinated multidisciplinary service.

Equipment Maintenance

- Undertake basic repairs and maintenance of student equipment including (but not limited to) changing part and assessing the equipment's condition.
- Lead in the regular inspection and safe use of equipment.
- To comply with Health & Safety and school requirements for safe disposal of equipment when it reaches the end of its serviceable life.
- Build positive working relationships with external contractors/suppliers
- Liaise with equipment providers around provision of spare parts and recommended contractors for complex/specialist repairs as required.

Knowledge and Training

- To provide information, teaching and instruction to relatives, carers, other disciplines and agencies around equipment for students.
- Provide INSET or class based staff training around items of equipment as required.
- Maintain knowledge of new equipment coming onto the market and (working with OT and Therapy Leads) source and disseminate training around this equipment.
- Engage with and be responsible for maintaining own competency through continuing professional development activities including (but not limited to) reflective practice, maintenance of a personal portfolio and the attendance of specialist training courses as appropriate.
- Participate in mandatory/statutory training as required by the school, academy and/or national standards

Service Provision

- In collaboration with supervising therapist to manage day to day workload, maintain level of service and assist other members of the team on urgent matters when required.
- To ensure the effective exchange of information across team
- To maintain communication links and collaborative working with all therapy and school staff working within the organisation.

Other Duties

- Actively participate in CPD and other training opportunities that are required of you by the Therapy team or school.
- Undertake any other duties commensurate with the post and grade that may be required of you by the Senior Therapist, Therapy Lead or Headteacher.
