Letter to candidates (Upper Key Stage 2 Class Teacher with responsibility for ICT and Computing)

Earlsfield is a thriving, community-focused primary school at the heart of the local community.

We are proud of our children and their achievements. These were noted in our Outstanding OFSTED report in 2017 when Earlsfield was recognised as a school where 'pupils flourish, both academically and in their personal development.'

Our world is constantly changing and as a school, we recognise this and the impact it has on our children. We want to equip our children with the skills they will need for the years ahead; we want our children to understand that individually and collectively, they can make a difference. Most importantly, we want to enthuse a love of learning as well as respect and care for each other.

The curriculum is well developed and the school is well resourced. As well as being a Unicef Rights Respecting School (Gold), we hold Arts Mark Gold and The Wellbeing Award for Schools (WAS) and have a national landscape award for our innovative playground redevelopment.

Our children are eager learners; they are polite, respectful and always upholding the school values. The staff team are outward looking and enjoy developing their knowledge and networking with other settings. Their commitment is evident in all aspects of their work.

Through working at Earlsfield, we can offer you a committed group of children, staff, governors and parents and the support you will require to develop your skill set and achieve your aspirations. Our children love coming to school; they love learning and have great pride in their school.

Our new Computing/ICT lead will build upon and enhance our current work that is embedded in our curriculum approach. We are well resourced with IPADs and Google Chrome Books. Our children love learning new skills and our staff have an excellent knowledge that was evidenced during lockdown and since our return to school through blended and hybrid learning.

We hope you are able to follow up your interest in the post by visiting the school - we would love to show you around and share with you the many exciting things that happen at Earlsfield. Visits can be arranged by emailing admin@earlsfield.wandsworth.sch.uk. Alternatively, you can find out more by visiting our school website www.earlsfield.wandsworth.sch.uk or seeing our latest news on Twitter @EarlsfieldSch

Thank you for showing an interest in working at Earlsfield, we look forward to meeting you!

Yours sincerely
