

"A Local School with a Global Perspective"

Dear Prospective Candidate,

Thank you for your interest in joining Shaftesbury Park Primary School.

We are a multi- award-winning, innovative community school situated in the heart of Battersea. Shaftesbury Park is a vibrant and inclusive place to learn and work, rooted in the values of mutual respect, diversity, and global citizenship. Our ethos is deeply informed by the United Nations Convention on the Rights of the Child, and we are proud to foster a positive, respectful learning environment where every child is encouraged to play an active role in their school, their community, and the wider world.

Our curriculum is grounded in the International Primary Curriculum (IPC), a creative, thematic approach that encourages both self-directed learning and international mindedness. From this foundation, children at Shaftesbury Park follow one of two exciting pathways: our Bilingual stream, which offers high-quality French-English education and has earned us the prestigious *LabelFrancEducation* seal from the French Ministry of Foreign Affairs, or our Enterprise stream, which develops entrepreneurial thinking and global awareness through real-world projects and collaboration.

We are proud to be recognised as a Flagship School for Enterprise Education, where we nurture critical thinking, teamwork, and leadership skills from an early age. Our aim is to inspire the next generation of confident innovators and socially responsible citizens. Our commitment to global education is also reflected in our British Council International School Award, recognising the strength of our international links and global outlook.

Academic excellence is central to all that we do. We believe our strong results are a natural outcome of the rich and empowering experiences we offer our children every day—experiences that we also extend to our staff. Shaftesbury Park is a place where teachers are encouraged to be dynamic, ambitious, and reflective practitioners who support one another to grow professionally and make a lasting difference in children’s lives.

If you are passionate about inclusive education, creative teaching, and preparing children to thrive in a rapidly changing world, we would be delighted to receive your application.

Warm regards,

Mrs Bunmi Richards
Headteacher
Shaftesbury Park Primary School
