Job Title: Senior Early Help Practitioner	Grade: PO2-PO3
Section: Early Help Cluster	Directorate: Early Help Division
Responsible to following manager: Early Childhood & Early Learning Team Manager	Responsible for following staff: Early Help Practitioners, Early Help Support Officers
Post Number/s:	Last review date:

Working for the Richmond/Wandsworth Shared Staffing Arrangement

This role is employed under the Shared Staffing Arrangement between Richmond and Wandsworth Councils. The overall purpose of the Shared Staffing Arrangement is to provide the highest quality of service at the lowest attainable cost.

Staff are expected to deliver high quality and responsive services wherever they are based, as well as having the ability to adapt to sometimes differing processes and expectations.

The Shared Staffing Arrangement aims to be at the forefront of innovation in local government and the organisation will invest in the development of its staff and ensure the opportunities for progression that only a large organisation can provide.

The borough's Early Years offer is delivered through three Wandsworth clusters, Battersea, Roehampton and Tooting.

The Early childhood and Early learning Team focus on narrowing the gap and improving outcomes for young children and their families by reducing inequalities between families in greatest need and their peers.

Job Purpose

The Senior Early Help Practitioner will lead the work of one of the teams that together make up the borough's Early Years Stream. Clusters are made up of three teams with a focus on early childhood and early learning. The Early Childhood Teams are made up of multi-skilled professionals with expertise in early childhood development and provide services for families with children from 0-4 years. The Senior Early Help Practitioner will lead a team of staff to deliver, level two interventions by applying the theory relating to

1001 days, Early Years Foundation Stage and multi-modal approaches, ensuring a level one programme of activities are designed to improve outcomes for young children and their families by reducing inequalities for families in greatest need and work collaboratively with a range of partners in health, education, voluntary sector services and the community to deliver the programme from children's centres, schools and other community sites across the cluster. You will ensure that the quality of the work undertaken is of a consistently high standard and that the voice of the family and child are central to all the work that is undertaken.

Specific Duties and Responsibilities

- Provide the supervision and day to day management of staff including Early Help Practitioners and Early Help Support Officers, ensuring that they are provided strong oversight and supervision.
- To have sound experience and working knowledge on children developmental, specifically in the Early Years, with a xxxxx understanding of the EYFS/Development matters.
- Planning, observations and working knowledge of Early Years services in Children's Centre.
- To support the team on undertaking whole family assessments using the Signs of Safety and Wellbeing framework and to support the application of tools and approaches that are based on evidence and good practice.
- To support the team on analysing the risks for the family as a whole and identify goals and services that can support the family.
- To support the team on developing single plans in partnership with children, young people and families that sets clear, time specific goals that will have a positive impact for the whole family and create change for children and young people to help them thrive.
- To support the team to act as the Lead Professional for a family, co-ordinating, sharing information, with the family and across the team around the family (TAF) and ensuring regular reviews are undertaken by staff, ensuring there is no drift, that plans are up to date and goals reviewed and that practitioners do what they say they will to support families.
- Undertake regular case audits of staff that are part of the cluster team to ensure that the quality of recording reflects the lived experience of the child.
- Regularly observe the practice of the staff in the cluster team to ensure that they are providing good quality direct work and provide feedback about what needs to change where work falls below this standard.

- Work with partners to ensure that any professional difference are addressed quickly and solutions found to ensure the best outcome for children, young people and their families.
- Ensure that that safeguarding and health and safety processes are in place and understood by the cluster team, that all new staff have had induction that covers safeguarding and health and safety processes and any issues arising out of the safeguarding section 11 audit for early help are implemented.
- To ensure that the team keep high quality case records for all the family, ensuring that assessment, plan and consent sharing protocol are uploaded / entered promptly onto the case management system.
- Contribute to the analysis of data and the performance framework of the Children's Centre Early Help Offer.
- Awareness of the financial challenges facing services and a pro-active approach to making the best use of limited resources across and with both internal and external partners.
- Be a Practice Lead for Signs of Safety and Wellbeing, offering supervision groups for case mapping for practitioners in schools, health services and community settings if they have families that they are concerned about or stuck with that would benefit from Early Help.
- Be committed to continuous improvement, and able to have difficult and challenging conversations that will improve the quality of work of staff within the cluster team.
- You will support the application of the 'social GRACES' tool to the work and ensure that staff are non-judgmental and sensitive to the impact of their own beliefs on the families they work with.
- To work closely with our partners in education, health and social care to ensure a strong TAF and plan is managed across a range of services.
- To lead the delivery of group work and parenting classes ensuring they comply with the relevant requirements.
- To work flexibly across a range of sites and settings, delivering sessions in the evening and at weekends as required.

Progression for PO3

- To be pro-active in working with the Cluster Lead and Cluster Manager in managing the budgets and having an approach to making the best value use of resources across and with both internal and external partners.
- To have completed an ILM Level 3 Managers Diploma
- Take the lead on managing the training of staff undertake training in line with accredited national frameworks

Generic Duties and Responsibilities

- To contribute to the continuous improvement of the services of the Boroughs of Wandsworth and Richmond.
- To comply with relevant Codes of Practice, including the Code of Conduct and policies concerning data protection and health and safety.
- To adhere to security controls and requirements as mandated by the SSA's policies, procedures and local risk assessments to maintain confidentiality, integrity, availability and legal compliance of information and systems
- To promote equality, diversity, and inclusion, maintaining an awareness of the equality and diversity protocol/policy and working to create and maintain a safe, supportive and welcoming environment where all people are treated with dignity and their identity and culture are valued and respected.
- To understand both Councils' duties and responsibilities for safeguarding children, young people and adults as they apply to the role within the council.
- The Shared Staffing Arrangement will keep its structures under continual review and as a result the post holder should expect to carry out any other reasonable duties within the overall function, commensurate with the level of the post.

Our Values and Behaviours

The values and behaviours we seek from our staff draw on the high standards of the two boroughs, and we prize these qualities in particular:

Being open. This means we share our views openly, honestly and in a thoughtful way. We encourage new ideas and ways of doing things. We appreciate and listen to feedback from each other.

Being supportive. This means we drive the success of the organisation by making sure that our colleagues are successful. We encourage others and take account of the challenges they face. We help each other to do our jobs.

Being positive. Being positive and helpful means we keep our goals in mind and look for ways to achieve them. We listen constructively and help others see opportunities and the way forward. We have a 'can do' attitude and are continuously looking for ways to help each other improve.
