Dear Applicant

I am delighted that you are interested in a Class Teacher position here at Paxton Primary Academy.

Paxton Primary Academy is a thriving two-Form Entry school in Thornton Heath. Currently based in Brigstock Road, we are looking forward to moving into our brand-new school building for Spring 2020. Located in London Road (CR7 6AN) our new building features fantastic indoor and outdoor PE and games spaces, as well as studios for dance, music and drama and specialist science classrooms.

As part of the Wandle Learning Trust – led by Outstanding Chesterton Primary School and Chestnut Grove Academy – we now have access to a range of expert colleagues across Maths, English and Early Years, as well as the Trust's teaching school. This will allow all staff to continually update their subject knowledge and teaching techniques for the benefit of all children.

Pupils leave us equipped with a firm grasp of key basic skills, a broad knowledge base and personal interests, shared moral values, excellent communication skills and the tools to be successful in secondary school and beyond.

Ensuring success across a range of abilities and backgrounds will take an understanding of resources, ICT and the classroom environment. Alongside your classroom teaching, you will also be expected to make a contribution to our integrated enrichment activities.

Both breakfast and after school care clubs are offered as part of Extended School Provision.

Please take a look at the Wandle Learning Trust website (www.wandlelearningtrust.org.uk) for more information.

We strive to be innovative and aim to create a learning environment that is both fun and invigorating. We look forward to receiving your application to play a part in this.

Yours sincerely
Karen Simpson
Executive Headteacher

About the school

About our curriculum

At Paxton we follow the International Primary Curriculum with high-quality teaching of English, Maths, science, computing and sport, within a balanced timetable.

We aim to provide pupils with memorable learning experiences and a wealth of cultural enrichment through trips and visits involving high-quality, first-hand experiences in the local community and further afield. Our over-riding objective is for pupils to see learning as a fun, active process within which they can make connections and see the bigger picture.

Pupils are given the chance to pursue their own questions within a topic/theme and develop key cross-curricular life skills such as problem-solving, communication, creativity, leadership skills, thinking and working as part of a team.

In all subjects the learning objectives are closely focused on developing the children's skills which will equip them for lifelong learning.

At Paxton pupils know that no matter your age or where you live we can all make a positive impact – whether that's volunteering, fundraising or raising awareness for causes that matter.

As part of the Wandle Learning Trust (WLT) Paxton Primary Academy enjoys the support of the Wandle Teaching School Alliance, set up WLT founding schools Chesterton Primary School and Chestnut Grove Academy. Since establishing the Alliance Chesterton has been awarded Maths Hub, English Hub and Early Years Hub status – all of which bring specific benefits to Wandle Learning Trust schools.

The Alliance consists of a wide range of schools from different phases, specialisms and organisations who work together in a variety of ways to identify and tackle key issues within schools.

Whatever stage of your career you are in the Teaching School and its partners offer a comprehensive package to support both career and professional development right through to Headship and Masters qualifications.

London South West Maths Hub is also part of the Wandle Learning Trust, working in partnership with Wandsworth Local Authority. The Hub – run out of Chesterton Primary School – is one of 34 Maths Hubs awarded across the country by the Department for Education. This means that Paxton Primary Academy staff and pupils benefit from the support of consistently outstanding maths provision.

The London South West Maths Hub aims to support schools in seven boroughs (Wandsworth, Merton, Sutton, Kingston, Richmond, Hillingdon, Hammersmith and Fulham) through a range of national and local projects each year.

The core purpose of the Hub is to engineer a school-based support network to develop Mastery style teaching at all levels of education.
