

APPLICATION GUIDANCE NOTES

Thank you for considering working within the Quality First Education (Q1E) Trust. We have produced this guidance to assist you in completing the application form and to address some frequently asked questions.

Guidance on completing the application form

- To increase your chances of being shortlisted, refer to the full job description and person specification and consider the bullet points below.
- Try and write a draft personal statement to avoid mistakes and repetitions. This will also give you a chance to clarify your ideas.
- Consider what educational skills and experience you have and make a list of all those that are relevant to the job. This will help you to prepare a structured personal statement and to complete the experience section.
- What evidence have you got to demonstrate that you have the necessary skills, knowledge and experience of the position? Consider any relevant skills and experience you have acquired outside work through leisure, community or voluntary interests, but always attempt to relate your examples to the classroom and your teaching training.
- Tell us your strengths. Write down your career history, also giving details of any gaps but please do not give too much unnecessary detail. Are the dates correct?
- Do your homework. We often receive generic personal statements that do not address the criteria on the person specification. Make sure that you tailor your statement to the Trust and the specific school you are applying to (as appropriate).
- Do not attach any other information apart from your personal statement. Any additional information will not be included in the shortlisting process. **Please note that we do not accept CVs.**
- Supply a current telephone number and email address for your referees, so that references can be obtained quickly and ensure that all your own contact details are correct.
- If successful, you will be required to provide evidence of all qualifications listed in your application. If you have lost a certificate for an academic or vocational award, you can request a replacement copy. Duplicates for lost certificates can be obtained from Edexcel on 0870 240 9800, website <http://www.edexcel.org.uk/>. Replacement copies of damaged certificates and/or Statement of Results can be obtained from AQA on 0870 410 1036, website <http://www.aqa.org.uk/>.

If you need clarification on the above, or have any other queries, contact us at recruitment@q1e.org.uk.
