Letter to candidates (Assistant Head for Inclusion)

Earlsfield is a thriving, community-focused primary school at the heart of the local community. We are proud of our children and their achievements. These were noted in our Outstanding OFSTED report in 2017 when Earlsfield was recognised as a school where 'pupils flourish, both academically and in their personal development.'

Our world is constantly changing and as a school we recognise this and the impact it has on our children. We want to equip our children with the skills they will need for the years ahead; we want our children to understand that individually and collectively, they can make a difference. Most importantly, we want to enthuse a love of learning as well as respect and care for each other.

The curriculum is well developed and the school is well resourced. As a Unicef Rights Respecting School the children are at the heart of everything we do.

For our new Assistant Head for Inclusion we are seeking to appoint an enthusiastic, talented and committed teacher who has a proven record of successful leadership. The successful candidate will work alongside the Headteacher and Deputy Headteacher to ensure that our children, staff and community have access to the very best provision. They will have the passion and commitment to make a lasting and positive impact upon our school community as well as holding the NA-SENCO Award or be willing to demonstrate a commitment to achieving this within the 3 year time-span.

The role of Assistant Headteacher at Earlsfield is pivotal. It is a post that is suited to an individual who is aspirational for all our children and can lead by example; an individual who fully acknowledges and embraces the challenges and opportunities that school leadership provides.

In return, we can offer you a committed group of children, staff, governors and parents and the support you will require to develop your skill set and achieve your aspirations. Our children love coming to school; they love learning and have great pride in their school.

We hope you are able to follow up your interest in the post by visiting the school - we would love to show you around and share with you the many exciting things that happen at Earlsfield. Visits can be arranged by emailing admin@earlsfield.wandsworth.sch.uk. Alternatively, you can find out more by visiting our school website www.earlsfield.wandsworth.sch.uk.

Thank you for showing an interest in working at Earlsfield, we look forward to meeting you!

Yours sincerely

Steve Trow
